House Amendment No. ___ offered by Campbell - 39th

Amend House Committee Substitute for House Bill No. 289, Page 1 , Section 99.915, Line 1, by inserting before said line the following:

"99.846. No redevelopment plan or project is eligible to receive the revenue described in subsection 4 of section 99.845 unless it was approved by the director of the department of economic development and the commissioner of the office of administration and some amount of new state revenues are appropriated for the project prior to August 28, 2003."; and

Further amend the title, enacting clause and intersectional references accordingly.
